

EATING DISORDER RECOVERY THROUGH CONNECTION

Staff Spotlight

Esperanza is excited to announce our new Staff Physician, Susan Schulze, MD!

She brings years of eating disorder experience to our multidisciplinary team.

Nearly a decade ago, Dr. Schulze developed a strong interest in caring for patients with eating disorders. Since then, she has closely followed advancements in this field and has successfully treated numerous patients, supported by an excellent outpatient team.

She is enthusiastic about working with the talented professionals at Esperanza to offer patients comprehensive treatment for mind, body, and spirit. Her goal is to provide the highest quality medical care with compassion, helping patients achieve lasting health and fulfillment.

Dr. Schulze values the philosophy at Esperanza, where patients are empowered to be active participants in their own healing journey. She believes in providing personalized medical care, emphasizing that everyone is unique and deserves a tailored treatment approach.

She received her medical degree from The University of Buffalo Jacobs School of Medicine and has maintained board certification in Pediatrics since 1990. In 1991, she and her family relocated to Corpus Christi, where she began her private practice at ABC Pediatrics.
