

EATING DISORDER RECOVERY THROUGH CONNECTION

Staff Spotlight

Esperanza Staff Will Be Presenting at the
iaedp Foundation 2024 Symposium

Mujeres in the Milieu: Lifespan Observation of Working With Latinas

Susan Mengden, PhD, CEDS-C, CGP & Zaira Suarez, MS, RD
from Esperanza will be presenting alongside

Danielle Gonzales, PsyD, NHRSP Assistant Director of Eating
Disorders Program | University of Southern California

Dr. Gonzales completed her predoctoral psychology internship at the Eating Disorder Center at San Antonio from 2014 - 2015. Zaira Suarez, MS, RD is the dietitian for Adult Services at Esperanza.

**This presentation will identify clinical and dietetic
modifications to eating disorder treatment for
Hispanic/Latine females across the lifespan.**
